EDUCATION

University of Greenwich

Sep. 2022 – Jul. 2025

Computer Science BSc (Hons)

Greenwich, London

- **Coursework:** Data Structures, Algorithms, Databases, Computer Systems, Machine Learning
- **Dissertation:** HandTyper – A Computer Vision-based Hand Gesture Recognition System for Virtual Keyboard Input
- **Extra-Curricular:** President of the Computer Science Society, Student Representative, Student Ambassador
- **Achievements:** University of Greenwich Instrumental Ambassador Award, Faculty of Engineering & Science Making a Difference Award

PROJECTS & CONTRIBUTIONS

HandTyper (Dissertation)

Python | Java | OpenCV | Mediapipe

- Designed and implemented a real-time computer vision system that maps hand gestures to virtual keyboard inputs, utilizing OpenCV and Mediapipe to process live video streams.
- Trained and evaluated classification systems across a custom dataset of 40,000+ hand gesture images, achieving an average accuracy rate of 90% and documenting findings in a full academic dissertation.

NFC-Based Guides

Python | HTML/CSS

- Engineered a mobile-responsive digital guide application for university events, utilizing HTML/CSS and scripting to parse event materials onto guests' mobile devices.
- Deployed contactless NFC tag infrastructure across event venues, eliminating printed brochures and enhancing the user experience for hundreds of attendees.

Event Automations

Python | Excel

- Developed a Python automation script utilizing CSV parsers to manage guest IT provisioning, automating database entries and saving administrative time during events.
- Implemented user engagement tracking and automated data reporting, reducing overall administrative event prep time by 10%.

EXPERIENCE

Social Media & Content Operations

June 2023 – Oct. 2025

University of Greenwich

Greenwich, London

- Directed the end-to-end production of digital assets and promotional media for the Faculty of Engineering & Science, managing campaigns with Premiere Pro, After Effects, and Photoshop.
- Collaborated with researchers and academics to translate complex computer science and engineering concepts into user-friendly digital content, bridging technical knowledge with UX design.

Senior UK Student Recruitment Ambassador

May 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Led a team of 10+ ambassadors during peak Admissions operations, organizing shifts and workflow logs while maintaining a customer-centric support environment.
- Managed inquiry databases and customer interactions across CRM email systems, telephone consoles, LiveChat interfaces, and in-person tours under strict SLA deadlines.
