EXPERIENCE

Social Media & Content Operations

June 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Directed the end-to-end production (storyboarding, filming, post-production) of technical and promotional video content for the Faculty of Engineering & Science, utilizing Adobe Premiere Pro, After Effects, and Photoshop to run high-impact campaigns.
- Partnered with academics and researchers to translate complex engineering and science concepts into accessible digital media; managed the multi-channel editorial calendar to drive engagement and maintain brand consistency.

Senior UK Student Recruitment Ambassador

Jan 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Coordinated a team of 10+ staff and student ambassadors during high-pressure Clearing operations, delivering customer service across CRM emails, LiveChat, phone support, and face-to-face interactions to optimize the enrollment pipeline.
- Represented the university at UCAS fairs, panel discussions, and school outreach programs, communicating academic opportunities and student benefits to increase prospective student engagement and recruitment.

Teacher Assistant

Jan 2022 – Jul 2022

Brompton Academy

Gillingham, Kent

- Supported the delivery of lesson plans for a Year 10 Business Studies class of 30+ students, explaining complex business and economic concepts to improve student comprehension and academic performance.
- Facilitated structured group discussions and activities, fostering collaborative learning, boosting class participation, and tracking student progress to provide targeted feedback to the lead instructor.

EDUCATION

University of Greenwich

Sep. 2022 – Jul. 2025

Computer Science BSc (Hons)

Greenwich, London

- Relevant Focus:** Data Analytics, Web Technologies, Machine Learning, User Experience (UX), Digital Systems
- Dissertation:** HandTyper – A Computer Vision-based interactive system utilizing User Experience (UX) research and Human-Computer Interaction (HCI) design principles.
- Extra-Curricular:** President of the Computer Science Society, Student Representative, Student Ambassador
- Achievements:** University of Greenwich Instrumental Ambassador Award, Faculty of Engineering & Science Making a Difference Award

PROJECTS & CONTRIBUTIONS

Clearing Campaigns

2024 | 2025

- Directed the content and on-camera strategy for high-pressure digital recruitment campaigns, starring in the flagship Computer Science promotional video that unified the faculty's digital identity.
- Produced and edited high-engagement video assets that drove traffic to the university's Clearing portal and boosted applicant inquiry rates.

NFC-Based Event Guides & Analytics

Python | HTML/CSS

- Designed and launched an interactive NFC-based digital guide for university events, migrating traditional print materials to dynamic, mobile-friendly landing pages to improve attendee UX.
- Developed data scripts in Python to analyze NFC tag engagement and visitor analytics, generating key performance metrics that streamlined event operations by 10%.
