EXPERIENCE

Social Media & Content Operations

June 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Conceptualised and produced technical and promotional video content for the Faculty of Engineering & Science, owning & managing the full production lifecycle from storyboarding to final render with various Adobe Software (Premiere Pro, After Effects, Photoshop, Lightroom, Express)
- Collaborated with technical stakeholders (Academics, Researchers) to translate complex engineering concepts into accessible digital content, demonstrating the ability to bridge the gap between deep tech and user experience
- Monitored & Managed the Faculty's Social Media presence (Across Meta, LinkedIn & YouTube), Maintained brand consistency across multiple platforms, ensuring high-fidelity output for major university campaigns (Clearing, Open Days)
- Assisted within content creation for various marketing campaigns in the University (Inc. Clearing, Open Days) and starred in the University's Profile video for the Computer Science suite of degrees on YouTube

Senior UK Student Recruitment Ambassador

Jan 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Led a team of 10+ staff and student ambassadors in clearing operations and day-to-day customer service, ensuring a high-quality student experience for prospective students and their families during high-pressure periods
- Represented the university across various internal & external events, including UCAS fairs, panels, and school visits, effectively communicating the value of the university's offerings to a wide range of audiences
- Assisted in the planning of outreach initiatives, contributing to the university's recruitment goals through efficient planning and execution
- Managed the main inbox and assisted Prospective student queries across Phone, LiveChat, CRM emails and in-person, demonstrating strong communication skills and a customer-centric approach to service

EDUCATION

University of Greenwich

Sep. 2022 – Jul. 2025

Computer Science BSc (Hons)

Greenwich, London

- **Coursework:** Data Structures, Algorithms, Databases, Computer Systems, Machine Learning
- **Dissertation:** HandTyper – A Computer Vision-based Hand Gesture Recognition System for Virtual Keyboard Input
- **Extra-Curricular:** President of the Computer Science Society, Student Representative, Student Ambassador
- **Achievements:** University of Greenwich Instrumental Ambassador Award, Faculty of Engineering & Science Making a Difference Award

PROJECTS & CONTRIBUTIONS

NFC-Based Guides

Python | HTML/CSS

- Designed & introduced an NFC-based event guide for University events including associated digital resources, reducing the need on print materials and improving the user experience for attendees
- NFC-guide hosts all materials on guests's devices and utilises online resources to provide an interactive experience, including maps, schedules, and multimedia content

Clearing Campaigns

2024 | 2025

- Handled the content creation for the University's high pressure Clearing Campaigns for certain courses in the Faculty of Engineering & Science, including the Computer Science suite of courses
- Spearheaded on-camera content strategy as a key brand ambassador, including starring in the flagship Computer Science recruitment video, which unified the faculty's digital identity across social channels
