EXPERIENCE

Social Media & Content Operations (Communications & Marketing)

June 2023 – Oct 2025

Faculty of Engineering & Science, University of Greenwich

Greenwich, London

- Directed end-to-end production of organic social content across TikTok and Instagram; designed promotional graphics and short-form video in Canva, Photoshop, and Premiere Pro to capture trending hooks, scheduling posts via editorial calendars.
- Supported multi-channel campaigns (Meta, TikTok), managed digital mailers to drive subscriber growth, and analyzed performance via Google Analytics and platform metrics to translate audience data into high-engagement creative optimizations.

Senior UK Student Recruitment & Outreach Lead

Jan 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Coordinated multi-channel outreach campaigns and managed audience segmentation in CRM databases (Dynamics365), maintaining reviewer and contact lists while executing targeted communications under tight deadlines.
- Collaborated with marketing and design teams to deliver on-brand promotional collateral across digital and print touchpoints; led 10+ ambassadors during peak campaign periods with exceptional attention to detail and departmental admin.

Teacher Assistant (Business Studies & Communications)

Jan 2022 – Jul 2022

Brompton Academy

Gillingham, Kent

- Synthesized complex concepts into visual presentations and engaging digital assets for cohorts of 30+ students, adapting tone of voice to maximize audience engagement across diverse backgrounds.
- Facilitated creative brainstorming workshops for rapid content ideation and story development, managing departmental administration and prioritizing varied tasks under tight schedules.

EDUCATION

University of Greenwich

Sep. 2022 – Jul. 2025

Computer Science BSc (Hons)

Greenwich, London

- Relevant Focus:** Digital Content Systems, Data Analytics & Visualisation, Web CMS (WordPress) & SEO, UX Design
- Leadership & Awards:** President of Computer Science Society (championed DE&I advocacy, community initiatives, and multi-channel promotions); Faculty of Engineering & Science Making a Difference Award

PROJECTS & CAMPAIGNS

Multi-Channel Digital Campaigns & Creator Storytelling

Content Strategy | Video Production

- Spearheaded short-form video and social campaigns across TikTok and Instagram, directing scripting, asset design (Canva/Photoshop), and creator outreach to drive measurable audience engagement and community reach.
- Monitored real-time cultural trends and platform algorithms to tailor promotional creative assets dynamically, boosting social mentions, user comments, and campaign landing page traffic.

Sincerely: Interactive Brand Identity & Digital Platform

Brand Strategy | Creative Direction | E-Commerce

- Engineered the brand identity and design system ("More Than a Card. A Memory."), crafting tactile visual assets, editorial typography, and promotional media blending physical print romance with digital storytelling.
- Designed digital storefront user journeys and conversion funnels, utilizing web analytics and SEO best practices to track user acquisition, optimize click-through rates, and enhance reader retention.
